DOCKET NO. 2007-__-E

June 15, 2007

IN RE:)	
)	PROGRESS ENERGY CAROLINAS,
Carolina Power & Light Company, d/b/a)	INC.'S PETITION FOR EXTENSION
Progress Energy Carolinas, Inc. Petition for)	OF TIME TO FILE
Extension of Time to File Resource Plan)	RESOURCE PLAN

Pursuant to Public Service Commission of South Carolina ("the Commission") Rule 103-825, Carolina Power & Light Company, d/b/a Progress Energy Carolinas, Inc. ("PEC"), petitions the Commission for an extension of time until October 1, 2007 to file its annual Resource Plan. In support thereof, PEC shows the following:

1. PEC is an electric utility, generating, transmitting, distributing, and selling electric power in the state of South Carolina, subject to the jurisdiction of this Commission. PEC is a North Carolina Corporation, domesticated to conduct and conducting business within the state of South Carolina.

2. The attorney authorized to receive communications and pleadings relevant to this Petition is:

Len S. Anthony
Deputy General Counsel
P. O. Box 1551
410 South Wilmington Street
Raleigh, North Carolina 27602
Telephone: (919) 546-6367

3. Pursuant to Order No. 93-845, issued by the Commission in Docket No. 87-223-E on September 10, 1993, PEC is required to file its annual Resource Plan by June 30 each year.

4. PEC recently announced an ambitious goal of reducing future peak demand by 2,000 MW through aggressive demand-side management (DSM) and energy efficiency (EE) programs. These programs are expected to have a material impact on PEC's Resource Plan. PEC is currently developing details regarding the enhanced DSM and EE initiative and expects to include these additional details in the Resource Plan currently being developed. Unfortunately, there is insufficient time to incorporate the new DSM and EE details into the Resource Plan and meet the currently scheduled filing date of June 30, 2007. Therefore, PEC requests an extension of time to October 1, 2007 to complete and file its 2007 Resource Plan with the Commission.

WHEREFORE, PEC requests an extension of time to October 1, 2007 to complete and file its 2007 Resource Plan with the Commission.
